Observation plan (Daily)

VNR-NP / PL, IRS-SWI / TIR

<Note>
The scale bars indicate the observation mode. Please refer to the tables below for the observation mode of each sensor (VNR-NP / PL, IRS-SWI / TIR).
Observation (Monthly)

VNR-NP

Non-polarization

VNR-PL

polarization

IRS-SWI

ShortWave Infrared

IRS-TIR

Thermal Infrared

<Note>
The scale bar indicates the number of observations per month. The closer to red, the more observations are performed.
